### How Your Vision Care Program Works

Eligible dependents are entitled to receive a vision examination once every 12 months and; one (1) pair of lenses once every 12 months and a frame once every 24 months, or contact lenses once every 12 months from last date of service.

For your convenience, at the start of the program, you will receive two identification cards with participating providers in your zip code area listed on the back. At the time of your appointment, simply present your NVA identification card to the provider or indicate that your benefit is administered by NVA. The provider will contact NVA to verify eligibility. A vision claim form is not required at an NVA participating provider.

Be sure to inform the provider of your medical history and any prescription or over-the-counter (OTC) medications you may be taking.

To verify your benefit eligibility prior to calling or visiting your eye care provider, please visit our website at [www.e-nva.com](http://www.e-nva.com) or contact NVA's Customer Service Department toll-free at 1.800.672.7723 (TDD line 1-888-820-2990) or NVA's Interactive Voice Response (IVR). Customer Service is available 24 hours a day, 7 days a week, 365 days a year. Any question any time.

If you are not a registered subscriber, you can still search our providers online by selecting the "Find a Provider" link on our home page. Enter group number **0016005B** or the group number on the identification card and enter in your search parameters. It's that easy!

## Get a Better View

**Plan Specific Details Online:** The NVA website is easy to use and provides the most up to date information for program participants:  
 -Locate a nearby participating provider by name, ZIP code, or city/state; verify eligibility for you or a dependent; view benefit program and specific detail; review claims; print ID cards; nominate a non-participating provider to join the NVA network.

**Examinations:** The comprehensive exam includes case history, examination for pathology or anomalies, visual acuity (clearness of vision), refraction, tonometry (glaucoma test) and dilation (if professionally indicated).

**Lenses:** NVA provides coverage in full for standard glass or plastic eyeglass lenses.

**Frames:** Select any frame from the participating provider's inventory. Any amount in excess of your plan allowance is the member's responsibility. Frame choices vary from office to office. (Visit NVA's website to view the Benefit maximizer Program)

**Contact Lenses:** The contact lens benefit includes all types of contact lenses such as hard, soft, gas permeable and disposable lenses. Medically necessary contact lenses includes fitting and follow up and may be covered with prior authorization when prescribed for: post cataract surgery, correction of extreme visual acuity problems that cannot be corrected to 20/70 with spectacle lenses, Anisometropia or Keratoconus.

**Non-Participating Providers:** You will be responsible for one hundred percent (100%) of the cost at the time of service at a non-participating provider. You can request a claim form from NVA via the website [www.e-nva.com](http://www.e-nva.com) or you may submit receipts along with a letter containing the member's full name, patient's full name, address, ID# and sponsoring organization to NVA, P.O. Box 2187, Clifton, NJ 07015.

**Laser Eye Surgery:** NVA has chosen **The National LASIK Network** to serve their members. This network was developed by **LCA Vision** in 1999 and is one of the largest panels of LASIK surgeons in the U.S. Members are entitled to significant discounts and a free initial consultation with all in-network providers.

**Discounts:** In addition to your funded benefit you are eligible to access the **EyeEssential® Plan discount** (in Network Only) on additional purchases during the plan period. Please see table for more detail regarding NVA's discount plan:

\*Discount is not applicable to mail order; however, you may get even better pricing on contact lenses through Contact Fill.
