

**CONSTITUTION
OF**

As amended at the

34th AFSCME Council 13 Convention

**Harrisburg, Pennsylvania
April 29-30, 2006**

CONSTITUTION

OF THE

**PENNSYLVANIA PUBLIC EMPLOYEES
COUNCIL NUMBER 13**

**AMERICAN FEDERATION OF STATE, COUNTY
AND MUNICIPAL EMPLOYEES**

PREAMBLE

We are organizing this Council because we believe that only through unity and common step can we better our wages and secure the rights and working conditions essential to human dignity.

We are organizing this Council because we believe that as a corps of public employees, united behind strong leadership, we will bring to government employment the security and the equity that are prerequisites to productivity and efficiency.

We are organizing this Council because we believe that we are more effective as one voice than as a babble of thousands. Cohesion, purposefulness, uniformity in style and goals, and mutual trust will be our weapons in negotiations with the state we serve.

We are organizing this Council because our service to mankind must necessarily include a service to ourselves. We cannot fulfill our obligation as keepers of the public trust if we do not first assure that there is justice in our work relationships.

A union is a democratic body, and collective bargaining is the natural expression of workers' democracy; but selflessness and dedication to the common good are the ingredients that serve to make that democracy work.

We shall serve the union and through it, ourselves and our fellow citizens. In this way shall the union be a trust between the public employees of the Commonwealth of Pennsylvania and its citizens.

As members of the American Federation of State, County and Municipal Employees, in convention assembled, we do adopt this Constitution.

ARTICLE III

MEMBERSHIP AND AFFILIATION FEES

Section 1. The membership of this Council shall consist of all District Councils and all local unions in the Commonwealth of Pennsylvania chartered by the American Federation of State, County and Municipal Employees, except those councils and their affiliated locals which are specifically exempted from such membership by the International Executive Board of the American Federation of State, County and Municipal Employees.

Section 2. Each District Council affiliated with this Council shall pay an annual affiliation fee of \$5.00.

Section 3. The monthly membership dues of all members effective July 1, 1988 shall be 1.5% of basic salary. Where possible, dues will be by payroll deduction and checks (made payable to Council 13) for the dues will be transmitted, by the employer, directly to Council 13.

Section 4. From the amount received through such payroll deductions, Council 13 shall, once each month, transmit to the local union that share of the membership dues determined by the Council 13 Treasurer in accordance with the procedure in Section 5. From the remainder, Council 13 shall, on behalf of the local union, transmit (1) the amount necessary to pay the International Union per capita tax to the International Secretary-Treasurer; (2) the amount necessary to pay the Pennsylvania AFL-CIO per capita tax to the Treasurer of such organization; and (3) the amount necessary to pay the appropriate AFL-CIO Local central body per capita tax to the principal financial officer of such organization.

Section 5. The amount per member transmitted to the local union as of July 1, 1995 shall be \$4.41 per month. For fiscal year 1996-97 through fiscal year 2000-01, the amount per member transmitted to the local union shall increase annually by \$0.10.

This amount will bring the amount per member transmitted to the local union as of July 1, 2001 to \$5.01.

Section 6. Each month twenty-five cents (\$.25) per member shall be allocated to Council 13 to the Benefits Fund. The Benefits Fund shall be used for the purpose of:

1. Offsetting convention expenses incurred by Council 13 and to defray the costs of sending local delegates to certain conventions as follows:
 - (a) Biennially – PA AFL-CIO Convention \$275.00

 - (c) Biennially – AFSCME International \$600.00

The above amounts shall be paid to any local providing proof of attendance of a delegate to any of the above conventions. Payment will be made for only one delegate per local for each convention. No funds will be paid to locals who elect to send no delegates.

The amounts stated above shall be considered minimum amounts. The Council 13 Executive Board shall have the authority to increase these amounts at any time they determine reasonable and necessary. Any reserves allocated to offset convention expenses shall be reallocated to the Benefits Fund.

2. The Benefits Fund shall also be used to provide certain benefits for members only as determined by the Benefits Committee. The Benefits Committee shall be a special

committee appointed by the Council President, subject to the approval of the Council Executive Board.

3. The Benefits Fund shall also be used to create a strike fund.

Section 7. The assets, liabilities, and fund balances of all of the District Councils affiliated with Council 13, as of June 30, 1988, shall be merged into those of Council 13. Failure of any such local to remit the required amount by the fifteenth day of the month following the month in which such payment was due shall result in the local's being declared delinquent. Failure of any such local to remit the required amount within sixty days after such local is declared delinquent shall result in the suspension of the local by this Council. The International Secretary-Treasurer shall be notified of all such suspensions and of reinstatements.

ARTICLE IV THE CONVENTION

Section 1. All sovereign powers of this Council shall be vested in the Convention, when in session.

Section 2. Section 6. Regardless of the number of delegates, locals shall be entitled to vote on the basis of one vote for each member or fraction thereof. Locals entitled to more than one delegate may send fewer than their quota of delegates and the delegates present may cast the entire vote of the local on all recorded votes and elections coming before the Convention. The number of votes shall be divided equally among the delegates, with any remaining votes to be cast by the chairman of the delegation, as designated by the local. No fractional votes shall be permitted.

Section 7. Each District Council shall be entitled to one delegate and one vote and the Council 13 Retiree Chapter shall be entitled to one delegate and one vote. Any member of the Council Executive Board who is not elected as a delegate representing a local union or a District Council shall nevertheless be entitled to all the rights and privileges of a delegate except the right to vote.

Section 8. Each delegate must be a member in good standing of the local he represents, the President of the Council 13 Retiree Chapter or, in the case of a delegate representing a District Council, of a local affiliated with such District Council. No delegate may represent more than one local or one District Council. Delegates shall be elected by their respective organizations in accordance with the provisions of Appendix D – Elections Code of the International Union Constitution. Locals and District Councils may, if they wish, also elect one alternate for each delegate.

Section 9. Resolutions to be introduced for more consideration at the Convention shall be signed by the President and the Secretary of a local union or a District Council or by one or more certified delegates. Such resolution shall be prepared and signed in duplicate and mailed or delivered to the Council Secretary at the Council headquarters at least ten days prior to the opening of the convention. No resolutions may be introduced thereafter unless consent is given by a two-thirds vote of the convention; provided, however, that the Council Executive Board may introduce a resolution for consideration by the Convention at any time prior to the convening of the Convention on the second day of said convention.
