WHY HELP?

Every year hundreds of members of our community rely on the generosity of strangers throughout the holiday season. Whether it's receiving the ingredients for a special meal, gifts for family members, or warm clothing to wear, your caring gift makes a difference in someone's life! *Holiday Connections* was created to assist individuals and groups in our community identify and select holiday giving projects.

CHOOSING A PROJECT

Whether you're part of a group or an individual who wants to help, here are some hints to help you choose the right project for yourself or your family or group:

- Look over the complete list to get an idea of what projects are available.
- Think about how many people might want to get involved, i.e. will you invite your whole company or just your department to participate?
- Think about the resources available to the people in your group and choose an option that will allow the most people to participate at some level.
- Before making a selection, talk to a few people who might be helping to see if there is a strong area of interest, such as seniors, children or animals.
- Make sure your group understands and is comfortable with any restrictions requested by the agency, such as early deadlines or not wrapping gifts.
- If you would like more information about a particular agency and what they do, or you'd like some suggestions, call The Volunteer Center at 717.732.0700.
- If possible, decide on your project by early November. This is particularly important if you choose to adopt a family. While monetary donations are always welcomed by nonprofit agencies, most attempt to find "adoptive families" for their clients by this time.
- If you happen to get a late start, don't despair. Many agencies have last-minute needs and The Volunteer Center is available to help.
- Once you've chosen a project, call the agency contact person to let them know your plans. It's important the agencies know in advance what you are doing so they can plan appropriately and avoid duplication.
- If you plan to have 10 or more people involved in your project, consider asking a few to help you with planning and spreading the word.
- Don't forget to let us know how it went! We count on your feedback to evaluate the success of the program. Just e-mail hneuhaus@uwcr.org and let us know about your experience. If available, send us a photo of your group in action, too!

Thank you for making the holidays brighter for our less fortunate neighbors!

Youth: Appropriate for youth. No minimum age.

As a CPARC Angel, you'll make a difference in the life of someone with an intellectual disability. Some individuals who reside in a CPARC home may not have many family contacts and/or may be in need for the holidays. You can make sure their holiday season is full of love and wonder!

To help purchase gifts, please contact Holly by November 5. She will send you a gift tag (includes a first name and a wish list of an individual who receives services at CPARC). You will then purchase the item and return the new, wrapped gift along with the gift tag to CPARC by November 30.

Items on gift lists vary in price. Some of the individuals request gift cards because they – like you and me – like to eat out, get their hair styled, or shop on their own. CPARC will gladly accept gift cards (Visa, Wal-Mart, and Kohls are popular among our folks!) through November 30.

For those unable to shop, your kind monetary gift will be accepted through the end of the year.

You can help Susquehanna Harbor Safe Haven through volunteering and/or doing a holiday drive.

As program that offers services 24/7, we need volunteers for our Overnight shelter which runs from December through March. Volunteers are needed to cook, serve, and hang out with the residents for our Thanksgiving dinner on November 23 and our Christmas dinner on December 18.

The following items can be collected in a holiday drive (or year round): Welcome Home tote bags/book bags, morale boosting items such as hair clippers, hats and gloves, paper towels and paper products, soap, toilet paper, detergent, dish detergent, all-purpose cleaners, men bikes, CAT 11-ride bus passes, garage bags, white photocopy paper, men smell good items (cologne, deodorants, shampoo), reusable water bottles, unused medical supplies, rain ponchos, and gift cards to Burger King. Donations of food are appreciated for regular and holiday meals. For those who don't have time or unable to shop, the agency welcomes cash donations or gift cards which will be used to purchase materials and supplies for our residential guest and donations through online stores as Amazon, Walmart, Target, Giant, Weis and Karns.

This season, consider making a gift to support Vision Resources of Central Pennsylvania (VROCP) to help an individual who is blind or visually impaired. There are several ways you can help:

- A contribution of \$25 will see that one client will have the opportunity to select an eyeglass frame for glasses that will be fitted with prescription lenses to meet their vision needs.
- Gift cards are always appreciated. Cards allow the agency to provide snacks or arts and craft items for Life Enrichment Group meetings and office supplies like keyboard batteries and compact discs for Audio Services duplication purposes.

Wildheart is located in Allison Hill, one of the most underserved communities in Harrisburg, serving residents through beautification and clean-up projects. To foster connection and community, Wildheart also hosts multiple block parties every year. You can help by donating the following items: folding tables, 10'x10' tents, paper products and gift cards for food (Costco, Giant).

Another way we bring life and hope to Allison Hill is through our urban farm, community gardens, trash removal and beautification projects. You can help by donating items such as: new or gently used gas-powered outdoor equipment, a mobile watering tank, work gloves, hand gardening tools, shovels and rakes, contractor trash bags, and Home Depot/Lowes gift cards. Monetary donations of any kind are also very much appreciated and will go directly into our efforts to Love the Hill.

Christmas at The Mansion: Donations (cash and material) and volunteers are needed for our seventh annual event hosted in the heart of Allison Hill. Donations of age-appropriate gifts for children (boys and girls) ages infant to 18 years are also needed. The gifts will then be sorted and given out by volunteers on December 9.

Holiday Giving Program: Each holiday season, the YWCA Greater Harrisburg partners with local individuals and organizations to support hundreds of families in need. Residents and clients in need sign up for the program by submitting a wish list consisting of one need and one wish. We are seeking community members to adopt a client's wish list!

Another way to get involved is by sponsoring items on our general wish list. These items are distributed to new women and children that arrive in the shelter over the holidays.

We welcome individuals that are delivering gifts or volunteering to help wrap presents. Volunteer opportunities will be assigned on a first come, first served basis.
